TECHNICAL DATA SHEET

HB-139

T.S.W.

Floating Lift Station Degreaser

Cleans - Degreases - Reduces Odor

DESCRIPTION:

- Bio-degradable
- Non-acid, cleaner
- Designed for removal of grease in lift stations, scum in digesters, and in tricking filters
- Contains no alkali, phosphates, or chlorinated solvents
- Will not inhibit waste digestion or affect B.O.D. or O.D.I. when used as directed
- Nonfreezing. Can be used successfully year around
- Fast breaking emulsification system possessing degreasing and detergent properties which clean the vertical surfaces of lift stations, wet wells, and similar treatment facilities.
- Product applied directly to lift station wet wells in its concentrated form for effortless cleaning.
- Cleaning and degreasing is accomplished by the rise and fall of the water level. As the water fluctuates, the cleaner removes the debris from the sides of the wet well.
- A secondary property of this unique product is its ability to 'seal' or contain offensive odors which emit from the lift station

ADVANTAGES:

- Contains no acid or alkali
- Contains no phosphates or chlorinated solvents
- Does not inhibit waste digestion
- Does not affect B.O.O. or O.O.I.
- Multiple uses
- Economical
- Non-freezing, can be used in all season climates

AREAS OF USE:

Lift Stations
Trickling Filters

Digesters
Incoming Raw Sewage

DIRECTIONS FOR USE:

- **Lift Stations:** Turn on manual operation, pump completely down, add 20 gallons of degreaser for every 100,000 gallons in lift station, let rise to the maximum, turn back on automatic operation.
- **Digesters:** Add 20 gallons of degreaser for each foot of scum and let set for 20 minutes; then add 60 gallons of water and let set for 20 minutes; then agitate or recirculate digester.
- **Trickling Filters:** Simply spray on with a garden sprayer and let trickling filter do the rest.
- **Over All Plant:** Drip into influent at the rate of 1/4 to 1-1/2 PPM and hose off periodically.

CAUTION:

- KEEP OUT OF THE REACH OF CHILDREN.
- Do not use or store near heat or open flame.
- Do not ingest.
- Avoid prolonged contact with product.
- Flammable.
