TECHNICAL DATA SHEET

HB-150

COLD VAT CLEANER

Parts Cleaner & Degreaser

DESCRIPTION:

- Multi-phased, solvent based, cleaner/degreaser
- Rapidly removes of grease, oils, dirt, carbon, fuel stains and residues, paint, varnish, lacquers, gums and stubborn accumulations of debris from metal surfaces
- Prevents product loss due to evaporation
- Safe on all metals including aluminum and magnesium

AREAS OF USE:

Immersion type cleaner for:

Automotive parts
Wheels
Rings

Engine Assemblies
Brakes
Aircraft engine parts

USAGE:

- Remove loose soil from parts with water, brush or air pressure
- Small parts should be placed into a metal basket and immersed into the solution until clean
- Immersion time varies from 20 minutes to 2 hours for stubborn accumulations
- Remove parts and rinse off residue with water or solvent under pressure.

CAUTION:

Keep out of reach of children. Avoid direct skin contact for extended periods of time. In the event of skin contact, wash area with soap and water. If eyes are contacted, flush with large volumes of water, and contact physician immediately. Product may be harmful or fatal if ingested. Drink copious amounts of water and fruit juice. Store container in cool area. Open container carefully; vapor accumulation may cause container swelling. Do not apply heat to material.

SAFETY:

Label use directions should be followed carefully. OSHA Material Safety Data Sheet available.
