APPLICATIONS

Sanitary Valves	Glass & Paper Filling
Copper Slide & Parts	Homes
Bakeries	Sanitary Machine Parts/Sanitary Seals & Parts
Homogenizer Pistons & Rings	Positive Pump Parts

PROPERTIES:

Form	Oil base Aerosol
Odor	Petroleum odor
Color	Clear
Toxicity	1000 ppm OSHA TLV
Wetting Ability	Saturates
Detergency	None
Biodegradability	No
Phosphates	None
Storage Stability	1 yr.+
Cold Stability	0° F
Flash Point	150° F TCC
Solubility in Water	0%
Specific Gravity	0.82
% Volatile by Volume	39%
Evaporation Rate IB.Acet. = 1)	None
pH	None

SAFETY:

Label use directions should be followed carefully. OSHA Material Safety Data Sheet available.

AUTHORIZATION: USDA-Hi
