TECHNICAL DATA SHEET

HB-35

C-THRU

Concentrated Glass Cleaner

DESCRIPTION:

- A clear, blue liquid formulated to remove grease, cigarette smoke deposits and other soil-causing atmospheric pollutants deposited on glass, mirrors, windows, refrigerators, windshields, showcases, ceramic tile, porcelain and enamel surfaces.
- Easily removes soil, fingerprints, scum, smears and insects from all glass.
- Provides a quick, easy, economically feasible way to clean glass surfaces, It is ideal for churches, offices, department stores, supermarkets, airlines, airports, gas stations, hotels, motels, resorts and others whose pride insists on the highest level of cleanliness and sparkle on glass surfaces.

USAGE:

- Dilute HB-35 1 part to 10 parts water.
- Use in trigger sprayers.
- Hold spray about 6 to 8 inches from the surface to be cleaned.
- Spray small amount of C-Thru on surface.
- Wipe clean with a soft, lint-free cloth while still wet.

ADVANTAGES:

- Fast, easy to use. A few pulls on trigger-type sprayer does the job.
- Cuts housekeeping costs, A little goes a long way,
- Makes glass surfaces seem invisible. Leaves no greasy streaks.
- Diamond sparkle lasts longer. Leaves no film to attract or hold, new dust and grime,
- Has a clean smell.

PRECAUTIONS:

DANGER • POISON!
MAY BE HARMFUL IF SWALLOWED
VAPOR HARMFUL • COMBUSTIBLE

- Contains methanol (Methyl alcohol, wood alcohol.)
- **CANNOT BE MADE NON-POISONOUS**
