TECHNICAL DATA SHEET

HB-9

GLASS SHINE

DESCRIPTION:

HB-9 is a ready-to-use liquid glass cleaner. No mixing is required. Its heavy duty formula makes for fast and easy cleaning of all glass, Plexiglas, metal, and enamel surfaces. It quickly penetrates soils and can be wiped away leaving a clean, streak-free surface.

The special wetting and cleaning agents loosen and lift dirt, grease, lipstick, bugs, fingerprints, and other soils from glass, mirrors, chrome, stainless steel and other non-porous surfaces.

Other difficult stains such as wax build up on Formica desks or the nicotine stain left from a misplaced cigarette. Simply spray the surface with this cleaner and wax buildup and the other stains will also be removed.

ADVANTAGES:

Gets glass squeaky clean and crystal clear. Easily dissolves smudges, film, grime, bugs, etc. HB-9 is designed to give maximum economy. No streaks or residue left. No hazy after-film. Surfaces stay cleaner longer. Quick, easy to use. Just spray on, wipe off. So delightfully scented, it's a pleasure to use,

AREAS OF USE:

Windows	Plastic
Mirrors	Chrome
Showcases	Aluminum
Appliances	Leather
Windshields	Stainless steel
TV screens	Vinyl upholstery
Chandeliers	Ceramic tile
Bathtubs and sinks	Painted surfaces
Porcelain	Other non-porous surfaces
Formica	

GENERAL DESCRIPTION: Glass Cleaner

Continued on back

PROPERTIES:

Form	Liquid
Odor	Bouquet
Color	White Foam
Toxicity	Minimum
Wetting Ability	Excellent
Detergency	Excellent
Foaming	Excellent
Biodegradability	Yes
Emulsification	Yes
Phosphates	None
Storage Stability	1 yr.
Cold Stability	Above 32~ F
Corrosion Factor	Minimum
Flash Point	None
Boiling Point	212° F
Vapor Pressure (mmHg)	18.0
Vapor Density (Air-l)	less than 1
Solubility in Water	Soluble
Specific Gravity (H ₂ O - 1)	N/A
% Volatile by Volume	95.0
Evaporation Rate IB. Acet. - 1)	N/A
pH	9-10
Free Acid	None

SAFETY:

Label use directions should be followed carefully. OSHA Material Safety Data Sheet available.

USAGE:

- Spray sparingly on surface to be cleaned, holding container 6-8 inches from object to be cleaned.
- Wipe clean immediately with lint-free cloth or paper towel.
- Polish with a second lint-free cloth or paper towel.
